DR. RALPH W. LLOYD
President of Maryville College

Welcome

This welcome is written two weeks after the 1950-1951 Commencement and thirteen weeks before the 1951-1952 Convocation. We have just said goodbye to the second largest graduating class in Maryville College history. We are preparing now to welcome a new freshman class and to welcome back three old classes. The number of you who can come is more uncertain than usual, because international conditions are more uncertain than usual.

But there is no uncertainty about our welcome to all who can come. In behalf of the entire College I extend sincere good wishes for a happy and a profitable year of study and life together.

With our welcome we would like to offer, as educators seem to want to do, a bit of special warning and advice. The warning is against discouragement in the face of the uncertainties so dominant in the world in our time and against the idea that serious effort is useless; the advice is to set a steady course for yourself and to follow it earnestly and hopefully.

As you follow this course there will be many friends among faculty and students ready to help.

RALPH WALDO LLOYD
President of Maryville College

"S" as in song

ALMA MATER

Where Chilhowee's lofty mountains
Pierce the southern blue,
Proudly stands our Alma Mater,
Noble, grand, and true.

Chorus

Orange, Garnet, float forever,
Ensign of our hill!
Hail to thee, our Alma Mater,
Hail to Maryville!

As thy hilltop crowned with cedars
Evergreen appears,
So thy memory fresh shall linger
Through life's smiles and tears.

Lift the chorus, wake the echoes,
Make the welkin ring!
Hail the queen of all the highlands!
Loud her praises sing!

"T" as in tradition

There are some things about Maryville which are very special to all of us who are old students and which we know you will treasure before long. When you capture the spirit of Maryville and become a part of our College family, you will find your love for her will be broader and deeper because of them. These special "somethings" are the traditions which are so much a part of Maryville. We know that when you're old and gray you'll have some vivid and pleasant memories of Scotty Hill, and you'll feel a sort of nostalgia when you think of the traditions of your four-year stay here.

You'll always remember your first few days at Maryville as days of lines—registration lines, Treasurer's Office lines, Bookstore lines, and more lines. Don't let them discourage you, though. They will be over in a few days and soon classes will begin. But there's one line we want to tell you about before we go on. It's probably the longest one of all, and we're sure you won't forget it very soon.

We're speaking, of course, of the long line of hand-shakers at the FACULTY RECEPTION. For this line you girls will want to wear your prettiest formal, and you fellows your best suit and tie. Then you'll go with your brightest Ipana smile and a firm handshake (at first, anyway), and you'll meet the MC faculty members.

RUSH WEEK comes very near the first of the year with all of its festivities. Membership in the girls' societies—Bainonian and Theta Epsilon—and the mens' societies—Alpha Sigma and Athenian—is open to all members of the student body,

and the four societies go all out to line up new students as prospective members. In consecutive weeks the two brother-and-sister societies conduct intensive membership drives which are climaxed by the formal program on Saturday night. Last year Bainonian and Athenian presented a "Week on the High Sea" complete with pirates and all, and Theta and Alpha Sig made a journey through "Rainbow Land." It doesn't matter so much which society you choose, but be sure to choose one and pledge your whole-hearted support to it.

It won't be long before Tuesday night rolls around. Tuesday night at Maryville is TOWN NITE, the one night in the week when you and your date can go downtown for a movie, bowling, skating, or for just a hamburger or soda before signing in at the dorm by 10 p.m.

On other week-day nights, as well as during the day, you may feel the need of a coke, sandwich, or an ice cream cone at the STUDENT CENTER. Here you'll find an attractive lounge, a recreation center, and the Y-STORE. Incidentally, it's a good place to stop on your way home from the Saturday night doin's on campus, too.

It won't be long, either, before you discover the two adjectives which are so important to us at Maryville—WARMTH AND FRIENDLINESS. The spontaneity with which you reply to the friendly "hi" and bright smiles between classes will mean as much to you as to those you meet.

You'll find that VESPERS is a program of worship and inspiration which will get the week off to a fine start. Held each Sunday night at 7:00, VESPERS features outstanding guest speakers and music by Marville's own Vesper Choir.

Noted guest artists are heard in the ARTIST'S SERIES. The series was discontinued for several years because of the chapel fire; but by using the Alumni Gym as a concert hall, we can now look forward to more of these excellent concerts.

Sometime early in the fall, the College begins its drive for the FRED HOPE FUND, which was established as a tribute to the memory of one of Maryville's outstanding graduates—Fred Hope who spent his life as a missionary in Africa. Today this fund enables one of our fellow students to work in the foreign mission field. You'll want to contribute to this worthwhile drive.

Soon FOUNDERS AND HOMECOMING DAY comes in all its dignity. In the morning a chapel service solemnly marks the founding of the College. Dorms are colorfully decorated to receive the alumni who arrive in great numbers. In the afternoon there's a big Homecoming parade through town, and that evening the Scotties meet their toughest foe on the old home field. Oh yes—you'll envy that lovely senior girl elected to reign as Homecoming Queen, too.

Your guess is as good as ours as to what the theme of this year's BARNWARMING will be. This is THE show of the fall and is held each Thanksgiving eve in the Alumni Gym. Sponsored by the Y's, every effort is made to present the best talent on campus. You'll enjoy the visits through the little "shops" before the main feature. King and Queen, chosen from the senior class, and attendants from each of the four classes are elected by the student body. But, like the theme, the court is kept a top secret until Barnwarming night.

In no time at all Christmas is here, bringing with it a welcome vacation (preceded by a siege of final exams). In the midst of all the pre-Christmas rush you'll want to take time out for the annual presentation of Handel's THE MESSIAH. The Vesper Choir, the All-Girl Choir, and the Men's Glee Club form the nucleus of the chorus, but yours can be one of the hundreds of voices which unite to present this inspiring oratorio. The College orchestra also takes part, and Miss Davies is the accompanist at the organ.

You'll enjoy your January vacation well enough, but we'll bank on your eagerness to get back on campus and into all the activities here! In February comes the week when the emphasis is shifted more to spiritual thoughts during FEBRUARY MEETINGS. It will be to your advantage to attend these religious services each morning and evening to gain renewed spiritual strength for the weeks to come.

Once each year the dorms hold OPEN HOUSE when the fellows and girls display their rooms to the best advantage to each other and to the general public. This is the time when you see how the other half lives and is always immediately preceded by rather exhaustive house cleaning and followed by loud sighs of relief.

Nothing can compare with the thrill of seeing the sun's first rays burst over the Smokies as the Choir sings "Alleluia, Christ Is Risen." It's worth getting up early and trapesing out to the College Amphitheatre to the EASTER SUNRISE SERVICE.

Each spring the old and new Y Cabinets have their annual Y RETREAT. Held in a picturesque mountain setting, the retreat affords time for these groups to plan the activities for the coming year in Y.

A delightful musical program of the spring is SPRINGTIME SERENADE, inaugurated four years ago by the All-Girl Choir and Men's Glee Club. Framed in a lovely setting, these groups present a fascinating program of many of your favorite musical numbers from popular operettas. Serenade is accompanied by outstanding music students at the twin pianos and Mr. Hughes at the console of the electric organ.

Our lovely amphitheatre in the College Woods becomes such varied scenes at the Emerald City of Oz, Alice's Wonderland, or a Southern plantation with Uncle Remus for the annual MAY DAY PAGEANT. Being May Queen is a cherished

honor for some senior girl. Her attendants are chosen from the other classes and reign with her over the festivities.

And before you know it, COMMENCEMENT comes. Classes and exams are over, and dignified services are climaxed by the commencement exexercises with the procession of the Daisy Chain, the faculty, and the graduating class. The Daisy Chain, composed of 14 girls from the junior class, make the long daisy chains through which the processional passes.

It's a happy occasion for the seniors—but yet a sad one, for last goodbyes are difficult to say. We feel sure the departing seniors will have more than just the initials after their names to remember, though. They are a part of the College which has meant so much to them, and certainly it will become a part of our lives and personalities, too.

"D" as in Dormitory

One of the biggest adjustments you'll have to make at college is that of living with a dorm full of people. It will require far more understanding and patience than many of you dreamed possible. The oft-quoted Golden Rule applies in a special way here. Remember that the rights of one person are limited so that the rights of another person or a group may be respected. We're jotting down a few suggestions here that we feel will be very valuable to you in making your days in the dorm happy ones.

Everyone who wants to listen to a radio has one of his own, so it won't be necessary for you to play yours loud enough for the people down the hall to hear.

Every night many people in the dorm want and need to do some concentrated studying. You will appreciate it when your neighbors refrain from loud taking, door-slamming, and hall-yelling, and when they observe closed study hours and your "busy signs;" likewise, your neighbors will appreciate these courtesies on your part.

You may enjoy living in a messy room, but to your roommate and those about you it may be obnoxious; so don't wait until time for the yearly Open House to clean up your room.

Guests and visitors often come at the most

unexpected times. Always appear properly clad when in the halls; otherwise it can be very embarrassing for an outsider to meet you, and vice versa.

Remember that sincerity and cheerfulness are musts in making and keeping friends. Nothing can brand you quicker than being a perpetual griper, or always making catty remarks about the faculty or other students.

Always keep your conduct in the parlors and public rooms such that others will feel both free and welcome to come in at all times.

If you're not interested in making friends, then you'll

—Monopolize the telephone,
—Sweep dirt into the halls and leave it there,
—Wash your clothes in the bathrooms during the "busy" hours,
—Barge into your friends' rooms during study hours and waste their time, and yours as well,
—Get up earlier than most people in the morning and make a general disturbance,
—Use the ironing boards on the floors to do your week's ironing,
—Never clean the tubs, basins, etc., after using them,
—Take supplies from the medicine chest and leave them in your room,
—Borrow extensively from everybody.

"R" as in Regulations

Alterations to Rooms

1. Any plans for alterations or improvements in your room must be approved in advance by the Head of your Dormitory, after consultation with the Director of Maintenance.

3. No furniture should be altered or moved from rooms or lobbies without the permission of the Head of the Dormitory.

4. Each student must furnish and use a mattress pad.

2. There shall be no meddling with the electric system.

3. Each student shall be responsible for knowing when he is using more than allowed current.

Lights

1. Standard lighting equipment in each room consists of one drop-cord (and one wall-plug in the men's dormitory) and one 150-watt light. For

1. In case of illness, notify the Head of your Dormitory at once.

2. Forms for having absences excused must be presented within two days after returning to classes, otherwise the excuses will not be honored at the Personnel Office.

Infirmary

1. If you go to the College infirmary as a

patient, arrangements should be made through your Housemother. You should take your own pajamas, towel, washrag, etc.

2. The infirmary clinic is open each week day as follows:

10:00 — 11:00 a.m.
4:00 — 5:00 p.m.

(The doctor is there on Monday, Wednesday, and Friday afternoons.)

Emergency cases, of course, are received at any time.

3. If you visit patients in the infirmary, please observe the following visiting hours:

1:00 — 1:30 p.m.
4:00 — 5:30 p.m.
6:30 — 7:15 p.m.

Permission should be obtained from the nurse before visiting patients.

Ironing

1. All ironing must be done in the laundry rooms or other specified places. The ironing boards on each floor of the women's dormitories are for pressing only.

2. No ironing is to be done on Sunday, except emergency pressing between 7:00 and 9:00 a.m.

Laundering

1. All laundry must be done in the laundry rooms, except in emergency cases when small amounts of light laundry may be done in the bathrooms.

Emergency Drills

1. Each dormitory will participate in emergency drills, having its own organization and regulations.

Confiscation of Equipment

1. In the women's dormitories this is handled by the monitors and officers of the Women's Student Government Association, and in the men's dormitories by the Head of the Dormitory as follows:
   a. Any electrical equipment being used in dormitory contrary to regulations will be confiscated and placed in the office for the remainder of the semester.
   b. Radios in use after 11:00 p.m. will be confiscated and placed in the office for one month.

General

1. Possession of liquor bottles, public or private signs, or road markers is considered, for obvious reasons, a disciplinable offense.

2. Possession of firearms, pass-key, or key to any dormitory room other than one's own is forbidden.

4. Regulations imposed by civil law are in effect College regulations. For example, the possession or use of fireworks and the like in buildings and on the campus is violation of Tennessee law and therefore a disciplinable offense.

THE HOWEE—HOWEE

Howee-Howee! Chilhowee!
Maryville, Maryville, Tennessee!
Hoo-rah, Hoo-rah!
Maryville, Maryville, Rah! Rah! Rah!

Absence from the Dormitory

2. After attending any college function, return to the dormitory promptly (15 minutes is maximum time allowed.)

2. You must always sign out and in on the sign-out sheet.

3. You may go to Maryville or Knoxville any weekday providing you return to the campus before 6:00 p.m. Trips to Knoxville are not made in the company of men. (See WSGA Constitution. Article VII, By-Law No. 2, for Senior Privileges.)

4. If you wish to visit over the weekend or to be absent overnight from the campus, you will have to have written permission from your home or have had your parents previously sign the regular Standing Permissions form which allows you approximately five visits a semester other than to your own home. Approval for these visits must be obtained in advance from the Dormitory Head, and your plans must be discussed with her so that she can fill out your activity card properly.

5. When properly chaperoned and arranged, week-end camping trips are allowed; seniors and juniors may have two such trips a year, and sophomores and freshmen, one.

6. You may go to the College Woods in groups of two or more on weekdays and Sundays, but not in the company of men.

Monitors

1. Each student is required to serve as monitor, as arranged by the Student Government at least once each semester.

2. As monitor you must be present on your floor during the time you're on duty, seeing that the halls are kept quiet during study hours and that students are in their own rooms after 11:00 p.m. It's your job to check on proper use of lights and radios at night, to answer the buzzer, and to see that rules in general are obeyed. Violations are to be reported to the House Committee.

Telephoning

1. Local or long distance calls may be made and received any time between 6:00 a.m. and 11:00 p.m.

Lobby

1. Men living in the dormitory may entertain their families in the lobby at specified times.

Visiting

1. Men's visiting hours for student rooms in Carnegie and Bartlett are from 3:30 to 7:15 p.m. each day.

Disciplinary Measures

Disciplinary measures will be taken by the Executive Council of the Faculty or the Supervisor of Men's Residence for infractions of these rules:

OFF-CAMPUS MEN

Though you may have to room off-campus for a while you'll be able to get into the dorm after a semester or two. Till you do, remember that the same, if not better, behavior is expected of you in private homes than the dormitory heads would expect of you on campus.

1. Be considerate in your use of radio, lights, and leisure time.
2. For overnight absences, report to the Supervisor of Men's Residence in Carnegie Hall.
3. Men rooming off-campus, both local and out of town, may use washrooms in Bartlett, Thaw, and Carnegie, and the lounge room in the Student Center Building.

"F" as in Food

Meals are served in the Dining Hall on the first floor of Pearsons Hall according to the following schedule:

Weekdays: 7:00 a.m., 12:30 p.m., 6:00 p.m.
Saturdays: 7:00 a.m., 12:30 p.m., 5:30 p.m.
Sundays: 8:00 a.m., 12:30 p.m., 5:30 p.m.

Your guests may eat in the dining room by arranging with the Dietitian. Meal prices are as follows:

Weekdays:
Breakfast, 35c; Lunch, 75c; Dinner, 75c.
Saturdays:
Breakfast, 35c; Dinner, 75c; Supper, 40c.
Sundays:
Breakfast, 35c; Dinner, $1.00; Supper, 40c.

Your tablemates, all seven of them, will appreciate your appearing well-groomed and well-mannered at meals. Take time to freshen up a bit before meals, especially dinner. For Sunday dinner, both boys and girls are expected to wear their "Sunday best."

Try to make conversation table-wide, but remember loud and boisterous talking is in poor taste and is annoying to those at tables nearest yours. At the table acquire a bit of "polish" to your manners. After all, bad table manners are not considered cute, and it isn't difficult to say "please" and "thank you."

Your waitress has classes and obligations too, so she will appreciate your consideration in getting to and from meals on time.

By all means, you will want to be attentive and reverent during the blessing.

"A" as in Attendance

1. Students are advised to keep a personal record of all absences. See page 100 for chart.

2. Excuses for illness or other emergencies must be presented at the Personnel Office within two days after returning to class, otherwise, they will not be approved. You must notify immediately the Head of the Dormitory or of the house where you live of any situation requiring your absence from classes, chapel, Sunday School, and Church. No excuses will be approved unless you do this.

3. Absences will be authorized for approved College activities, such as scheduled trips for members of the debate squad, choir, band, ball teams, etc.

4. Here is a list of cuts allowed from each class or service that may be taken on your own responsibility when you think necessary. Students on the honor roll (B average the preceding semester) are allowed one additional cut from each class.

Freshmen and Sophomores

Chapel	3
Sunday School or Church (total of)	3
1-credit hour class	1
2-credit hour class	1
3-credit hour class	2
4-credit hour class	2

Juniors and Seniors

Chapel	5
Sunday School or Church (total of)	6
1-credit hour class	1
2-credit hour class	2
3-credit hour class	3
4-credit hour class	4

The Personnel Office applies a penalty for each "over-cut" taken. Grade points and semester hours are deducted from your total according to the following:

1. For each "over-cut" one-half semester hour and one and one-half grade points will be deducted from the total credit.
2. For "cuts" within two days before and after a recess or holiday, one-half semester hour and one and one-half grade points will be deducted for each class missed.
3. Upon accumulating fifteen penalized absences in any semester the student is immediately dismissed from College.

4. Couples may be together within the Circle Drive each weekday evening until 7:15 (7:00 on Sunday) and until 1:20 on Sunday afternoons.

5. Dating is allowed at announced College

activities. Couples return to the women' dormitories within fifteen minutes after the close of the activity and men do not stay after that time. Otherwise there is no dating on weekday evenings, either during or after library hours, except that men may walk with women directly from the Library or the Student Center to the women's dormitories and leave immediately.

Town Nite

1. Girls must sign out and in on the sign-out sheet between 5:00 and 10:15 p.m.
2. When special permission is granted, girls must notify either the President or Secretary of Student Council.
3. Girls going to town must be in groups of three or with a date.
4. Upon returning, couples may go directly to the Student Center by signing out previously on the sign-out sheet. Couples may also come into the parlors of the women's dormitories between 9:30 and 10:00 p.m.
5. There shall be no loitering on the campus, on the way to and from town, or around the women's dormitories.
6. Students must take a direct route to town and stay within specified boundaries.

Suspension of Town Nite Privilege

This is levied by the Student Council for the following Town Nite violations:

1. Loitering.
2. Being out of bounds.
3. Failure to sign in or out.
4. Failure of girls to be in groups of three or with date.
5. Overstaying privilege.

Dancing

1. Social dancing each weekday (except Saturday) evening following supper till 7:15 is informal, held in the Intramural Gymnasium.
2. The Fall Dance, scheduled sometime during the first semester, has rules that say "No" to

corsages, tuxes, admission charge, and program dances. Music is recorded, and the informal note is set.

3. For the Big Formal, or Spring Dance, different rules apply. This is a "program dance," and only couples are admitted. For girls dress is formal; for fellows tuxedos are nice but not necessary—business suits are just as acceptable. Admission tickets and corsages are regulated in price by the Social Board. Your request for a non-student guest must be handled through the office of the Dean of Women.

Planning All-Campus Entertainment

1. Programs must be officially authorized and scheduled through the Faculty Committee on Scheduling of Activities (Curriculum Office).

2. Student programs are subject to preview by the Faculty Committee on Student Programs.

Planning Parties, Picnics, and Other Social Activities

1. You must secure approval from the Dean of Women's Office at least five days in advance.

2. If the function involves transportation, it must be by a conveyance on which personal insurance is carried on the passengers — this means buses, trains, or private cars.

3. All social activities must be held on the campus or at some other approved place and must be properly chaperoned.

4. The "Y" Rooms are available if arrangements are made in advance through the House Committee of the YWCA.

Evening Activities

1. Evening activities must be scheduled in advance with the Faculty Committee on Scheduling of Activities (Office of Dean of Curriculum.)

Initiations

1. Initiations are not to disturb the general program of the College; for example, they must not be such as to create disturbance in Chapel,

classes, dining hall, or dormitory.

Smoking

1. No student is permitted to smoke anywhere on the campus.

2. No student who smokes is eligible for student-help work.

Automobiles

1. No out-of-town students may have an automobile or other motor vehicle while at Maryville College, except by special permission given only in unusual cases. This permission is required whether or not parking space on the campus is desired; request should be made in writing through the Personnel Office.

2. Students living in Maryville who regularly use cars at the College must secure permit tags each year from the Director of Maintenance. Parking spaces will then be assigned to those who park regularly on the campus. (Faculty members also secure permits and parking assignments.)

3. Women students are not permitted to ride in automobiles with men without permission.

Dress

1. Girls never wear shorts on the campus except when engaged in active sports. Jeans and slacks are worn when the occasion calls for such dress—as hikes, sports, stage crew etc.—but not in classes, dining hall, or to town.

GREETINGS FROM YOUR STUDENT BODY PRESIDENT

Fellow Students,

As the school year begins, many varied thoughts enter our minds. First, let me say that a hearty welcome awaits each of the new students from all of us here on Scotty Hill. You will find studies at the center of college life, but built around this vital center is a vast program of activities designed to please you.

It would be to your interest to read the next few pages which contain the Constitution of the Maryville College Student Body. Even you old students might find it valuable to check last year's revisions. Let us all realize that the Student Council is everyone's organization. It can only be as good as you want it to be. The success of the Council depends on your actions and opinions.

Naturally our policy is to work for closer student-faculty relations and to design a program more harmonious with the will of the majority. Stop on Wednesday evening—get acquainted with the Council—tell us your ideas.

I'm sure the predominant word should be "cooperation." Let's all pull together for a successful school year. The best of luck to all of you in the year ahead!

Sincerely,
Bob Cuthill
Student Body President

X-tra Curricular

College is the place to learn selection and discrimination. Start using this principle when choosing your extra-curricular activities. You must not go to the extreme and join every club that comes your way. If you do, you'll soon find yourself all bogged down and your enthusiasm lost in social activities as well as studies.

During your freshman year pick one or two activities on which to concentrate your efforts. Then, if your grades remain high and you find time for other activities, you'll have plenty of time to become a member of another club later. Remember that such activities as the Echo staff and debating take more time each year. Once you have joined a group try to stay with it through the rest of your College life. If, during your junior or senior year, you feel you are forced to give up something, the least you can do is not to substitute one club for another.

HONORARY FRATERNITIES

Pi Kappa Delta

Maryville has the distinction of having the Tennessee Alpha Chapter of the national honorary forensic fraternity, Pi Kappa Delta. Members of this organization are awarded orders and degrees according to rank and achievement. Maryville participates in the Pi Kappa Delta National and Provincial Conventions. Last year the group won first place in oratory, and a rating of good at the National Convention.

Theta Alpha Phi

Talented dramatic students may, upon meeting certain requirements for membership, be initiated into the Tennessee Delta Chapter of the national dramatic fraternity, Theta Alpha Phi. Members of this organization take a leading part in dramatic activities on the campus; however, opportunity is given to all students to try out for the various plays given throughout the year.

Sigma Delta Psi

Maryville's chapter of Sigma Delta Psi was established in 1930. Membership is earned by meeting the requirements of various athletic tests in the presence of a responsible committee.

Alpha Gamma Sigma

Alpha Gamma Sigma was organized in the spring of 1934, for the purpose of motivating high scholarship among students. Its requirements are similar to those of Phi Beta Kappa. Ten percent of the graduating class may be admitted provided the members have a grade point ratio of 6.5, or somewhat more than a B average.

OTHER ORGANIZATIONS

Pi Gamma

Pi Gamma sponsored by YW, is for the purpose of promoting friendship and fellowship between town and dormitory girls. The girls in Pi Gamma have a luncheon every three weeks to which they usually invite dorm girls. Friendships between town and dorm girls are mutually advantageous and enjoyable. Some of the happiest memories of college can be the weekend that you as a dormitory girl spent in the home of a town friend or the time you as a town girl were invited to spend the night in the dorm. No girl should go through college without such an experience.

Student Volunteers

Student Vols is part of a national movement for students who wish to promote interest in the missionary enterprise. It is composed not only of students who are planning to go to the field, but also of all those who are in any way interested in missions. The theme of the group last year was "Go, Give, and Pray." Regular meetings are held each Sunday night after Vespers, usually in Bartlett Hall. The weekly programs present interesting aspects of the work being done on both the foreign and home mission fields.

Parish Project

Through the program of the Parish Project, students participate in leadership training and Christian service. Under the supervision of the Department of Religion this organization is sponsored and supported jointly by the Board of National Missions, the Board of Christian Education, Maryville College, and New Providence Presbyterian Church. Limited college credit is

given to Parish Project students who perform such duties as Church School teaching and administration, teaching weekday Bible classes in selected groups of public schools, and supervising young people's societies.

Pre-Ministerial Association

The Pre-Ministerial Association, organized in 1900, is open to all students who are planning to become ministers or who are interested in other phases of the Christian service. In addition to its regular meetings twice a month the Association shares in planning with the other religious organizations, YM, YW, and Student Vols, the campus prayer meeting and all other campus religious programs. Its members are encouraged to engage in some form of service to local missions and rural churches in the vicinity of Maryville.

Writer's Workshop

Literary interest and achievement are the basis for membership in Writer's Workshop. Members are elected from the junior and senior classes. Each member writes and presents to the group two papers each year for criticism and in turn serves as literary critic.

Muses

This arts committee, organized in the fall of 1949, is made up of students and faculty desirous of coordinating fine arts' activities. Its purpose is to provide occasional fine arts programs of general interest to faculty and students. It does not function as a club.

CLUBS

Bainonian

Varied activities and friendships highlight the program of Bainonian Society. The third week after school starts this year, Bainonian will join her brother society Athenian to present a Rush Week program. Last year's theme for Rush Week was "Week on the High Seas." Weekly meetings through the year are held in Bainonian Hall.

Theta Epsilon

Organized in 1894, Theta Epsilon Society has played an active part in campus life. The second week of school this year will find Theta and her brother society, Alpha Sigma, presenting their Rush Week. Last year's theme for this important week was "Rainbow Land." Meetings are held each week in Theta Hall.

Alpha Sigma

Alpha Sigma, founded in 1884, offers men of the College an opportunity to participate in activities that will build true friendship. It enters teams in all intramural sports and holds an annual weekend trip to the mountains, barbecue, banquet, and similar activities. It joins with its sister society Theta Epsilon in producing a dance and a rush week program.

Athenian

Lasting friendships are made in Athenian Society, oldest society on the campus. College men appreciate a society that brings them a varied and interesting social program and also active participation in the College's intramural program. Last year Athenian won the cup for giving the best skit in the Annual Skit Contest. Athenian joins Bainonian, its sister society, in its annual

Rush Week program and holds weekly meeting in Bartlett Hall.

International Relations Club

Maryville's IRC club is affiliated internationally by its purpose and program with hundreds of other such clubs on college campuses through its relation to the Carnegie Endowment for International Peace. The club's main objective is to spread interest and information on current affairs and international problems. It seeks to accomplish this purpose through forums, discussion groups, movies, and well-informed speakers at its semi-monthly meetings.

Pre-Med Club

To anyone who is planning to go into medicine or nursing the Pre-Med Club offers an excellent chance for hearing lectures on medicine and related fields from various prominent members of those professions.

Often there are student participation programs or selected short movies. The club meets twice a month throughout both semesters and interest is the only prerequisite to membership.

French Club

The French Club is composed of thirty members who are taking advanced French and who qualify for membership by scholarship and interest. This club features semi-monthly programs of French song, games, movies, plays, and holds an annual social.

German Club

All College students who are interested in German culture, regardless of whether or not they are German students, are eligible for membership in the German Club. Regular meetings are held twice a month to stimulate interest and

arouse participation in different phases of German culture.

Spanish Club

Club members, elected from members of the Spanish classes, discuss the language, customs, and culture of Spanish-speaking countries. Besides the semi-monthly meetings the club has an annual outdoor picnic and a Christmas party which features the Spanish pinata.

"M" Club

"M" Club is the girls' athletic club of Maryville College. Membership is attained by making a total of 400 or more points through participation in what is known as Women's Varsity. In addition to athletic activities two hours a week, the members meet monthly for business discussions and enjoys an athletic activity together. The high spot of the club's activities is the weekend hike in the Smoky Mountains once each semester.

Men's "M" Club

The Men's "M" Club was re-organized two years ago after a lapse of a decade or so. Membership is open to all varsity lettermen, and male members of the coaching faculty. The purpose of the organization is to further the bonds of athletic brotherhood on the Maryville Campus, to be of service to the school and the athletic program, and to increase loyalty to the best interests of the College. A club room for members is the immediate project of the group.

Disc Club

Disc Club was organized in 1936, to encourage music appreciation. Its organization is very informal, and all students who wish are considered to be members. Half-hour programs of music with comments by student or faculty members

are presented twice monthly after the evening meal.

Camera Club

This club has its own darkroom in Bartlett Hall which all its members may use. It holds meetings to discuss photography as a hobby and a profession. Organized in 1946, the club continues to grow and to develop its members' abilities.

Future Teachers of America

Jasper Converse Barnes Chapter of the Future Teachers of American was organized in the spring of 1949. All students planning to teach are eligible for membership in this club which is affiliated with the National Education Association.

B. G.

This is a small club of eight campus girls who keep the meaning of their initials a secret. At the end of each year two freshmen and one sophomore are elected members. Originally organized for hiking, the club today is purely social.

Business Club

Maryville's newest campus organization—the Business Club—was formed last spring for the purpose of promoting a better understanding of sound business practices and to give its members a wider acquaintance with the various fields of business and the opportunities and possibilities that they offer. This is done through semi-monthly meetings at which different business leaders talk to the group and films on various phases of business are shown. Although membership is limited to majors in business administration and economics, its meetings are open to anyone interested in the field of business.

"P" as in Publications

Opportunities for creative writing are offered through the various college publications. Many who are interested in journalism gain valuable experience by serving on the staff of the college newspaper, annual, or "M" Book.

Highland Echo

The Highland Echo is the weekly College newspaper. The Echo staff is chosen by competitive writing and is composed of members from all classes. The Editor and Business Manager are elected by the staff and are members of the junior or senior class. The Echo keeps the students well informed of College affairs and includes as well a bit of the world situation.

Chilhowean

The Chilhowean is the annual year-book which is published by members of the junior class. It gives a vivid account in pictures of the outstanding events of the year as well as individual pictures of almost all of the student body.

Alumni Magazine

The Alumni Magazine sends news of the College and alumni to former students of the College. It is published quarterly by the Alumni Office.

"M" Book

As you have already discovered, the "M" Book is the little volume you are now reading. It is published every year by the YMCA and YWCA and is the official College handbook. College rules, customs, and activities are described within for the student's benefit.

"M" as in Music

If you have any musical ability whatsoever, be it singing, blowing a tuba, or playing a violin, there's ample opportunity at Maryville to develop those talents. The musical program gets in full swing with the performance of the marching band at the football games and ends with the choir's final anthem on graduation day. Recitals which anyone may attend are given from time to time by applied music students and faculty.

VESPER CHOIR

The Vesper Choir provides good training and genuine pleasure for those who are interested in singing. It is composed of about sixty members who must pass rigid try-outs before they are accepted. The group participates in the weekly Vesper services and the daily chapel programs as well as presenting special programs in Maryville and surrounding cities. The choir has sung in Birmingham, Atlanta, Montgomery, Knoxville, Chattanooga, Washington, Philadelphia, Baltimore, Pittsburgh, Wilmington, Cleveland, Columbus and Cincinnati.

ALL-GIRL CHOIR

The sixty girls who compose this group are selected by try-outs each semester. They relieve the Vesper Choir at the Sunday evening service a number of times a year. In the fall the Girls' Choir combines with the Men's Glee Club to present a sacred concert, and in the spring the combined groups present "Springtime Serenade."

MEN'S GLEE CLUB

This group consists of about forty boys, but additional members may be admitted by tryouts each semester. The sacred concert in the fall and "Springtime Serenade" are the highlights of the years activities for the glee club.

BAND

The students who enjoy playing a musical instrument are urged to try out for the College marching band. The band, numbering about fifty pieces, plays for all the home football games and takes one out-of-town trip with the team. For freshmen and sophomores the marching practice takes the place of the physical education requirement. When football season is over, the marching band reorganizes as a concert band which gives an outdoor concert during the last few days before commencement. Don't take the chance of not having an instrument for tryouts, bring it along with you this fall.

ORCHESTRA

Orchestra members are admitted and placed by tryouts each fall. They gain valuable experience in presenting two concerts of classical numbers annually and accompanying "The Messiah." Their spring concert features an outstanding music student playing a well-known concerto.

TAU KAPPA CHI

This is a musical organization for the women of the College who are either music majors or interested applied music students. Its purpose is to promote student and community interest in music. The aims are to raise the general academic standard of the music department; to provide a goal for all students interested in music; to promote thoroughly trained musicianship; and to further the understanding of all types of music.

"D" as in Drama & Debate

Major Productions

The last two years have seen great developments in the drama department for the first time since the Chapel fire in 1947. Now all the major plays are again presented on the campus by means of a stage constructed so that it can be erected in the Alumni Gymnasium for the plays and taken down quickly after the productions.

Three outstanding types of plays were given last year. In the fall, Thornton Wilder's "Our Town" was presented. Thomas Milne's "Mr. Pim Passes By" was presented in March, and William Shakespeare's "Much Ado About Nothing" was the Commencement play.

Playhouse

Under the direction of the head of the drama department the Maryville College Playhouse was started in the fall of 1949. In addition to those who are qualified as Players, there are many Apprentices working toward the position of Player.

Experimental Theatre

Besides the major plays the Experimental Theatre gives several one-act plays throughout the year. Some of those which were given last year in Bartlett Hall were "The Man Who Died at Twelve O'Clock," "Aria da Capo," "Everyman," and "The Net Which They Hid."

Debate

Maryville College has been noted for outstanding debate teams. Last year Maryville's varsity debaters won second in women's debate at Tennessee State Tournament; a rating of good at the Pi Kappa Delta National Tournament; and third place in women's debate at South Atlantic Tournament.

Along with debating goes oratory, extempore, after-dinner, and other individual speaking contests. Maryville was awarded two individual first place trophies at the Pi Kappa Delta National Tournament and a rating of good in oratory.

Freshmen are given an opportunity to participate in the speech program, for there is a freshman debate team in addition to the varsity squad.

If you have debated in high school, you certainly will want to go out for college debate. However, if you have not debated before, don't let that stop you. Several who have had no previous experience get on the team every year.

"S" as in Sports

Every boy has, at one time or another, dreamed of being a star in some sport. At Maryville there is a fine chance of making that dream a reality. Maryville is very active in intercollegiate sports and also maintains a well organized intramural sports program for those who wish to participate. For the girls, there is a well-developed point system whereby they may earn a sweater with an "M" or an "MC" monogram. No one is permitted to wear other school sweaters at Maryville.

Maryville does not buy her athletes. Those who participate in inter-collegiate sports earn their places on the teams by physical prowess and acceptable scholarship.

ATHLETIC ASSOCIATION

All students and faculty of Maryville College belong to the Athletic Association. This organization works with the Department of Athletics to help further the development of that field. Each spring a president, vice-president, secretary, three boys, two girls, and two faculty representatives are elected to the Executive Board which acts for the Association. The Director of Athletics and the chairman of the faculty Athletic Committee are ex-officio members of the Board. This

Board elects managers of athletic teams, makes awards to members and managers of men's teams, to members of Women's Varsity, and to the cheerleaders.

INTERCOLLEGIATE ATHLETICS

Maryville is known for her strength in minor sports. She competes with the best colleges and universities in the field. Last year Maryville placed high in wrestling in the Southeastern AAU Tournament. The tennis team compiled an excellent record, winning all intercollegiate matches but one. The cross-country team came through the season with a good record.

In major sports Maryville holds her own with colleges of the same size. She has good records in baseball, basketball, football, and track.

Let's all support our teams enthusiastically, win or lose, because school spirit is part of Maryville's athletic program, too.

WOMEN'S VARSITY

As most colleges, Maryville no longer offers a woman's intercollegiate program. Instead there has been substituted Women's Varsity. Participation in various sports qualifies a girl for a specific number of points. Every girl who makes 500 points earns a sweater with an "M" on it, those earning 400 points receive an "M", and those who earn 300 points are given an "MC" monogram. All women earning 400 or more points may become members of the "M" Club.

Girls participating in this program must swim twice a month, obey the health rules, and exercise daily for an hour. Those who play basketball, soccer, softball, or volleyball can earn 30 points for each team they are on and 20 points for each squad. Taking part in swimming, track, tennis, hiking, or aerial darts can entitle a girl to the maximum of 50 points. Additional points are awarded for sportsmanship, perfect attendance, and captain or manager of a team.

INTRAMURALS

Every man and woman has a chance to participate in non-varsity sports through the intramural program which develops good character as well as physical fitness. Both men and women have a similar system and organization. The fellows participate in touch football, soccer, volleyball, basketball, swimming, wrestling, track, and softball. This program includes two hours a week of regular physical education required of freshmen and sophomores. Although not required of juniors and seniors, many upper classmen take active part in the fun and recreation which these sports provide.

ON HIGHLANDERS

(Words and Music by Charles Huffman, '49)

On Highlanders down the field
  Rolling up a high score!
Tear into the end zone,
  Smash on through that line,
Highlanders!
Send a rousing cheer on high
  And our boys will shine,
Come on and fight, fight, fight!
  Come on and fight, fight, fight!
For dear old Maryville!

"G" as in Glossary

Baldwin Beach—the hedged-in terrain on the north side of Baldwin Hall where Maryville beauties bask in the Tennessee sun. Proper clothing for going to and from consists of raincoat, or shorts and shirt, or the equivalent, over your sunning outfit.

Bell—that object hung in Anderson tower which calls us to classes and to meals, and which, when rung following a football game, indicates a Scotty victory.

Blue Book—a small eight-page notebook required by many teachers for taking examinations; also used to refer to the kind of test which requires a blue-book.

Circle Drive—the circular pavement surrounding the main campus, on which pleasant walking may be enjoyed until 7:15 each week night and 7 on Sundays.

Comps—short for Comprehensive Examinations, an excruciating ordeal through which Seniors must go at the end of their College stay.

Cram—colloquial verb meaning to attempt to assimilate some knowledge of a course just prior to an exam; is not a recommended method.

Crip-Course—an extinct term; the name given to a course in which, supposedly, a D student can made an A without even buying a textbook. (Everybody may call it that just before YOU take it.)

Cut—what you take when you're absent from a

class on your own responsibility; check your allowances and keep your own record elsewhere in this book.

Honor Roll—what you're on if your average for the preceding semester was B or better; that list which raises your reputation and the number of cuts you're allowed as well.

Light Cut—applied to the women's dorms when the young ladies keep their lights on after 11 p.m.

Loitering—taken from the Student Council root; meaning you'd better keep moving on your way to and from Town Night and other College doin's.

Loop—comes in a variety of sizes—five miles for hikers, seven miles for intrepid hikers, and in the large economy size (twelve miles) for exercise faddists.

Moonshined—state which means that you and the boyfriend (or girlfriend, as the case may be) have been somewhere or have been doing something that isn't on the "approved list" and your relationship to each other and to those of the opposite sex is temporarily affected. It's a state you'll want to avoid at all cost, and conduct at all times becoming a lady or gentleman is a good insurance policy against this.

Quiz—short examination, generally of the "pop" variety, guaranteed to catch you by surprise—and at a loss, if you're not parallel with the class schedule.

Ralph—the "legendary figure" on campus who may appear at any time from behind the nearest shrub and catch you off guard; our beloved Night Watchman; the little man who's always there.

Student Help—includes practically all students. Applied to those who type, wait tables, staff the Library, assist teachers, and wag mail-bags, to name only a few of the many student-filled jobs at Maryville. The tenth of the month is pay day, as you'll soon be able to tell from the bright faces at that time.

Town Girls' Room—located on the second floor of Thaw for the convenience of women students who live in town; a place where they may leave their books and rest during their free periods.
